Participating Director: Duplicate this letter and distribute to the parents of your students.

Dear Parents:

Your son or daughter will be participating in a Southern California School Band and Orchestra Association District Band Festival on **Wednesday, March 13th 2013**. The festival will take place at **Santa Monica High School, 601 Pico Boulevard, Santa Monica, Ca. 90405**.

Perhaps you are aware of most of the facts concerning our music festival; however, certain facts bear repeating. This district festival is one of the many festivals sponsored by the SCSBOA. Participants in district festival become eligible to go on to the regional festival if they receive a "Superior" rating for their performance.

All groups are classed according to current SCSBOA classification factors. Each class has a list of music from which one selection must be chosen. Other selections are not restricted.

Judges, who are specialists in their respective fields, are hired to make constructive comments and criticism using the official adjudication forms. They are selected by the association and have met the standards of this professional organization.

No one is a winner; there is no "first place." Ratings are given, including Superior, Excellent, Good, Fair, and Poor. The rating standards are set by experienced music educators; however, the rating received is not as important as the learning process that has preceded the performance. Therefore, performers may elect to enter for comments only.

Official medals, cloisonné pins and stickers (authorized by the association) which indicate the rating earned, may be purchased by individuals. They are often worn on uniforms or kept as souvenirs of achievement. The cost of a medal or pin is \$5.00, a patch is \$3.00, and a sticker is \$1.00. Students should bring the appropriate amount of money with them, as pins, medals, and stickers will not be available after the day of the festival except through a special order made by the group's director.

This festival is open to the public; and you are cordially invited to share with us the intellectual, aesthetic, and social growth that is gained through musical performance.
